Casa Orquídea · Hilltop Villa in El Herrojo Alto

Perched atop Herrojo Alto with sweeping panoramic views, Casa Orquídea is a true architectural masterpiece. The journey begins along the scenic, tree-lined roads of the exclusive El Herrojo Alto gated community, leading to the grand entrance of this remarkable residence.

A spacious driveway welcomes you to a strikingly modern home accented with natural materials. Inside, sunlight floods the foyer through expansive floor-to-ceiling windows, framing breathtaking vistas. The main living area features a stylish lounge with a fireplace that elegantly separates it from the large dining room and contemporary kitchen. An adjoining outdoor kitchen enhances the culinary experience, perfect for entertaining. This level also offers two guest bedrooms, each with a private en-suite bath.

Upstairs you find three additional en-suite bedrooms, including a magnificent master suite of over 70 m². The master retreat boasts a walk-in closet, a luxurious bath and a private terrace with a jacuzzi overlooking the stunning landscape.

The lower level unfolds nearly 800 m² of lavish space, all designed to capture natural light and views through its generous windows. Here you discover multiple lounges for relaxing or entertaining, a playroom, a cinema room, a fully equipped gym and an indoor spa complete with pool and jacuzzi. Additional features include a dedicated home office, a garage accommodating up to eight cars, and three more en-suite bedrooms — one with a private entrance and kitchenette, ideal for staff or guests.
